COMMUNITY GUIDELINES

- 01 Lead with curiosity, generosity and respect.
- 02 Keep conversations relevant to learning and student life.
- 03 Credit original ideas, sources and collaborators.
- 04 Protect private information, including your own.
- 05 Make space for voices and experiences different from your own.

OUR PROMISE

Professional enough
for your next opportunity.

We believe the strongest student conversations make room for questions, different perspectives and practical help. This platform is designed around institutional values: performance, academic integrity and peer collaboration.

Whether you are sharing a project idea, looking for a study group or simply wondering how someone else solved a problem, there is a place for you here.

ABOUT THE COMMUNITY

A better kind of student network.

Richfield Connect is a dedicated academic social space for students who want to learn in public, find their people and make campus collaboration feel more natural.

*"The best work happens in the space between
'I have a question' and 'let's figure it out.'"*

— Richfield Connect community principle

Richfield Connect

A shared space for students to learn, share and grow
together together.
